

The diagram illustrates three distinct zones of a page layout. It consists of three nested rectangles. The outermost rectangle is dark gray and represents the 'Crop Area'. The middle rectangle is light gray and represents the 'classical' page borders. The innermost rectangle is white and represents the 'Text area'. Arrows point from text labels to each of these three zones.

Crop Area;
e.g. 3mm symmetrically on all
sides; changing the crop area
will not have an effect on the
elements on the page

„classical“ Page
borders.
e.g. 2mm left, 3mm
right, 5cm top, 2cm
bottom

Text area
