
Heading with ½ line paragraph space above

This is a sentence that has ½ line paragraph space below it.

This heading has both ½ line paragraph space above and below

This paragraph has a ½ line paragraph spacing below it.

This sentence has a custom line spacing below it of 2.835pt

1. As does this bullet point
2. And this one
3. And also this one

Another heading with ½ line of spacing above and below

And another sentence with ½ line paragraph spacing below it

A heading with 1 full line of spacing above it.

One full line of spacing below this sentence.

- Custom spacing of 1.69pts below for this bullet point
- And this one
- But this last bullet has 1.5 lines of paragraph spacing below it

This heading has no paragraph spacing either above or below

And neither does this sentence.

This heading has 3 lines of spacing below

And this sentence has 2 lines of spacing above.

This heading has no spacing either above or below

Whilst this sentence has 5 lines of spacing above. Note that gap between this sentence and the heading isn't the same as in the previous heading/sentence, because 5 lines of 12pt type are smaller than 2 lines of 12pt type and 3 lines of 14pt type.
